29. (canceled)
30. (previously submitted) A shopping mall or other complex comprising:
a first multi-level parking garage having a first top floor thereon, wherein said first parking garage is connected to a first portion of said shopping mall or other complex;
a drive-in movie theater located on said first top floor, wherein said theater comprises a screen for projecting moving images thereon; and
a second multi-level parking garage having a second top floor thereon, wherein said second parking garage is connected to a second portion of said shopping mall or other complex, wherein an events center is located on top of said second parking garage.
31. (previously submitted) The mall or complex of claim 30, wherein said first and second portions of said shopping mall or other complex are located between said first and second parking garages.
32. (previously submitted) The mall or complex of claim 30, wherein said events center comprises an outdoor auditorium with stadium type seating.
33. (previously submitted) The mall or complex of claim 30, wherein a restaurant and/or other establishment is provided in connection with said events center, wherein persons in said restaurant and/or other establishment can view activities taking place in said events center.
34. (canceled)
35. (canceled)

36. (currently amended) The mall or complex of claim [35] 30, wherein a projector is located on said first parking garage [in said first building section], on an end opposite said screen, [and] wherein said projector is adapted to project said moving images onto said screen.

37. (canceled)

38. (currently amended) The mall or complex of claim [37] 30, wherein said first parking garage and said shopping mall or other complex [second building section] are separate structures, and at least one bridge is provided between said first parking garage and said shopping mall or other complex to connect the structures together [second building section].

39. (previously submitted) The mall or complex of claim 30, wherein a short range radio sound system is provided and adapted for use in connection with said drive in movie theater.

Please add the following new claim:

40. (new) The mall or complex of claim 30, wherein said events center comprises an auditorium with stadium type seating.
